### DID YOU KNOW?

- Stoke's Rory Delap was a school boy javelin champion and he can throw the ball 38 metres.
- The record for the longest throw of a football is 46 metres, held by Dave Challinor, formerly of Tranmere and Bury.
- There is no truth in the rumour that Steve Backley is to join Bolton Wanderers as throw in coach. What d'ya mean, who's Steve Backley.

## UNDER 8 GOLDS BEGIN SEASON WITH RECORD START

Hebburn Town Gold's U8's have had a lightning start to the season winning all their first 9 matches.

Not only have they won all their games, they have only conceded 3 goals and scored an incredible 38 goals.

Manager Alan Parker said "A big well done to Luke, Sean and Carlo for their resilience in defence and of course some cat like saves from Nathan in goal, and a big well done to all my midfield who have all managed to get goals for their team with goals coming from Jack P 13, Jake 11, Tom 9, Jack C 2, Harry 2 and Scott 1." Alan continued with a cautionary message to his team "Remember a journey of a thousand miles has to start with a positive step forward so let's all keep pushing because we have some tough games ahead of us. Well done to all the team."

## HEBBURN TOWN JUNIORS ISN'T JUST ABOUT FOOTBALL

The U8 GOLDS, BLUES and JUNIORS are doing the Jingle Bell Walk on the 27th November at Newcastle City Centre in aid of the Chris Lucas Trust. It is an event to help raise money for the trust which is all to do with Chris Lucas who died of a horrendous aggressive childhood/teenage cancer (Rhabdomyosarcoma).

Chris Lucas' parents organise the walk to help raise money for the trust to enable more research into the disease. All the parents and children walk from the civic centre with santa hats on and jingle bells down Northumberland Street to the Quayside. It is a very emotional walk with a great atmosphere for Christmas time.

This is the second year that Hebburn Town Juniors have taken part with the golds team participating last year. The main organiser is Tracey Smith, the U8 Golds goalies mam. All the players and parents attending this year would like to say a big THANK YOU to TRACEY for organising this event again this year.

## NOT EVEN THE PREMIERSHIP CAN COMPARE WITH U7 BLUES

The current under 7 blues team were formed in April 2008 and their statistics are amazing; played 39, won 32, drawn 5, lost 2, goals scored 139, goals conceded 11, clean sheets 30. Everyone who is part of the team should be proud. Wow, how good is that!

# PLAYER OF THE MONTH AWARDS

**"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do."**

**Pele**

Each Month, we ask our team managers to nominate a player from their team for the player of the month award. The award may be for a fantastic goal, save or tackle, for the players work ethic, for their attitude in training and on the pitch or for improvements they have made to their technique or game in general.

Under 7 golds, **Calum R**, The U7 Golds played their first ever cup match this month. The whole team were excellent, but super striker Calum was outstanding, scoring all four goals in the 4-0 win. Let's hope for more of that in the next round!

Under 7 blues, **Dylan R**, has given some excellent performances during November which have seen him receive the opponents M.O.M. on two occasions. His overall play has been great but his upper body strength when fending off opponents has stood out. Well done.

Under 8 golds, **Jack P**, for his efforts this season he has never missed a training session and always gives 100% in training and in matches and so far this season has scored 15 goals in 11 games.

Under 8 blues, **Lewis E**, for his excellent displays and goal scoring for this month netting 8 goals in 4 games, Lewis also has a great attitude and works hard and is training with SAFC Development. Well done Lewis.

Under 8 juniors, **Rachael** and **Adam S** for their positive attitude in training and their willingness to listen and learn.

Under 9 golds, **the whole team**, for sticking in and all turning up for training especially during this recent period when a lot of games have been cancelled.

Under 9 blues, **Joe**, who always listens and for his willingness to learn.

Under 10 devils, **the whole team**, still giving 100%, good work, keep it going.

Under 10 demons, **Matthew R** for his great defensive work at both left and right back positions.

Under 11 boys, **Jack A**, in the four games played during the month Jack scored 11 goals including 5 in one game. He is a lethal finisher and continues to bring fear to the opposition defence.

Under 12 boys, **Louis** for all the goals he has scored which has helped take pressure off the team as last season we didn't score many goals-we now know that if we let one in we have a good chance of getting one back.

Under 13 boys, James P, James B, Jack L and Phillip have had great games and worked well in training, Adam S has joined the team and played and trained excellently, overall man of the month is **John Mc** who has played with great confidence at all matches - well done John.

Under 13 girls, **Chloe D**, for her spirit, dedication and hard work in defense as well as midfield.

Under 15 boys, **Andy T**, for his hard work and dedication in training as well as games.

Under 21 boys, **Tom** and **Liam** for their outstanding performances at Centre half, outstanding in our recent semi final win just proving they are the best pairing in the League.

## UNDER 11S SEASON, SO FAR, SO GOOD

We started the season with a 9-0 victory over South Tyneside United. On the score sheet, Daniel B, Joe W, Daniel J, James, Callum - 3 and Jake. Followed by a 5-0 victory over Waldrige Park Whites, with goals from Jake - 2, James, Daniel J and Chris before drawing against Whickham Fellside Green with a last minute equalizer from Daniel J. Following some words of wisdom from Jose Mourinho's apprentice (Jason Doyle) we pulled off a 4-3 win over Tyneside Juniors. With two goals each from James and Callum in a breathtaking finish which left Jason Doyle sweating. Jose Mourinho (Richard Curry) returned to his reign with a spectacular 15-2 victory over Blackfyne Juniors when super sub Jack netted 5, Callum - 4, Daniel J - 2 Jake, James and cavalier Stephen. Following a nail biter 2-2 draw with goals from Jack and James against Whitburn Juniors pulled a point out for us. Before an important game against Humbledon Youth but thankfully we were victorious thanks to Jack -5, James and a Shearer - style pen from Michael. Then back to the park with a 7-0 derby victory over Real Athletic with goals from Jake - 2, Jack, Joe W, James, Carlo and Nathan. With an unexpected 14-0 win against bottom of the league Waldrige Park Blues. On the score sheet, Callum - 5, Jack - 4, James,

Daniel J, Nathan, Daniel B and a follow - up from Michael which included a robo - dance. A well deserved 3-1 victory over Redby with goals from Daniel J, James and Callum. Next a tough encounter with premier league side Whiteleas which resulted in our only defeat of the season. Jack pulled one back for us.

Here is our squad:

**Goalkeeper** - Joseph B

**Defenders** - Stephen S, Aidan W, Adam M, Daniel B and Connor S

**Midfielders** - Jake B, Joe W, Daniel J, Michael C, Nathan H, Carlo H and Scott Y.

**Forwards** - James F, Callum D and Jack A

**Manager** - Jose Mourinho (Richard Curry)

**Assistant Manager** - Steve Clark (Jason Doyle)

Completed by team members James and Michael

## SUBS

Weekly subs are payable throughout the season, even when there are no games being played.

Subs are used to cover indoor training costs, referee fees, the purchase of kit and equipment and payment of affiliation and league fees.

## SOPHIE'S CHOICE

This month I've decided to discuss the merits of Dads getting you to write an article for a newsletter each month even though you didn't really want to in the first place. When you say no, you're still

expected to come up with ideas each month for the whole thing, never mind your own bit. I bet he says he writes it all himself when all the good ideas are nicked from his children. I want paid!

# MATCH REPORTS FROM THE UNDER 8 BLUES

## HTJU8's 6 - 0 Hebburn Phoenix.

The U8's got off to an excellent start when Adam M received a great pass from Cameron W to slot home from close range and open the scoring. The lead was soon doubled when a Rachael O pass put Cameron W through to beat the Phoenix Keeper easily. Meanwhile Kyle D (GK), Kianne W (LB) and James W (RB) were solid in defence and this allowed Joe C in midfield the time to tackle and pass the ball with Style. Rachael O then demonstrated her pin point long passes were no fluke by again putting Cameron in for his second and Hebburn's third goal. However Cameron's hat-trick was the result of a brilliant solo effort and at 4-0 subs Adam S and Aaron D come on playing well in midfield. It was the latter 'who' had a half chance, but instead of shooting choose to cross for James W to score running from deep just before the break (5-0).

Joe C who had been subbed, came back on to play behind the front two and scored a great goal having seen one effort parried by the ever busy Phoenix keeper and then hit the cross bar with the rebound. A great result against a never say die Phoenix team that set us up nicely for the next match against Consett Terrors which was five minutes later.

## HTJU8's 3 - 0 Consett Terrors. (5 minutes later)

Consett got off to a good start, keeping the defensive trio of: Kianne W (LB), James W (RB) and Kyle D (GK) very busy. It was the latter who pulled off a string of great saves to stop the Terrors for his second clean sheet of the day and forth of the season. However a mention must go to the former pair who: tackled, dribbled and passed the ball well from defence that allowed Cameron W to relieve some of the

pressure with a great goal before half time.

This was the turning point of the game, however as the team started to tire a planned rolling program of substitutions had to be delayed when one sub returned to the touch line with a plate of 'chips'...! A quick rethink of substitutions then allowed some very good displays of midfield interplay from: Aaron D, Adam M, Rachael O, Joe C and Adam S. Indeed it was the Aaron D whose skill and passing assisted Cameron W to bag his second with stylish finish.

The Terrors were to get nothing from the game despite displaying great effort when Cameron W scored a classy third for his second hat-trick of the day and 13<sup>th</sup> goal of the season to round off a tremendous all round team display. Dave, Ian and the parents were so proud of the team who played the games in a professional sporting manner.

**Together Everyone Achieves More**

**Lionel's top soccer tips**

Each month, Hebburn's senior coach, Lionel Bowman, gives us all a coaching or playing tip. "You can learn great things from great players. If you're allowed to watch "Match of the Day", look for how a great striker finds space to run into, look how a great midfielder can place a pass between two defenders leaving his striker in the clear, look for how a great defender can anticipate the run of a forward and cut out an attack. In the game against West Ham United, Manchester United's Dimitar Berbatov made a run towards the bye line and was followed by a defender, Berbatov ran off the pitch, turned and was therefore able to see the defender and then flick the ball over him and pass the ball across the goal to give Christian Ronaldo a tap in. Magic! But you won't be able to do this if you're sitting watching the TV, so, GET A BALL AND GET PRACTISING."
