## UNDER 8 BLUES GO TO THE THEATRE

As a reward for the teams hard work and success, Manager Kev Carter and Assistant Andy Snaith decided to give the boys a treat, a trip to the **THEATRE OF DREAMS.**

On Thursday 30th October they set off at 0700 hrs for the trip to MANCHESTER UNITED'S OLD TRAF-FORD.

Andy and Charnelle Carter were navigators in the front and Doug Blevins-Clarke was kids entertainment officer in the rear.

The journey passed quickly and quietly thanks to the invention of the DS Lite and PSP's, which made Doug feel very lonely in the rear, not that he was complaining! They arrived at Old Trafford at 11.00 am after a tour of the Manchester suburbs, thanks to navigators Andy and Charnelle, overall not bad timing for a 11.20 am tour. First was a tour of the stadium, players lounge, changing rooms, players tunnel and the dug out area, which took about 1 hour and ending up in the "ALLADINS CAVE" - the club shop.

After 45 minutes of retail therapy the lads were totally spent up and ready for a quick lunch before the trip to the museum.

The museum had lots of fantastic memorabilia and just a few trophies (HA HA).

During the museum tour, Kev tried to convince a few of the boys that Christiano Ronaldo was the modern day equivalent of the great GEORGE BEST, "no way Kev" was the reply he got back.

After a patient hours wait the team got their photo's taken with the original Premier and Champions League trophies.

With all happy and having a fabulous day they arrived back in Hebburn to be greeted by ten sets of chilled out parents.

Please check out the photo's of their fab day on the clubs website.

# PLAYER OF THE MONTH AWARDS

**"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do."**

**Pele**

Each Month, we ask our team managers to nominate a player from their team for the player of the month award. The award may be for a fantastic goal, save or tackle, for the players work ethic, for their attitude in training and on the pitch or for improvements they have made to their technique or game in general.

Under 7 golds, **Lewis P**, Lewis has been excellent in training since we came back after Christmas, resulting in him scoring a fantastic goal in our first match of 2009. Keep up the good work Lewis!

Under 7 blues, **The Team**, all the players have worked extremely hard throughout the month in training and in our first game back after a long break due to the weather. They put all the training into practice with a fine 4-0 winning performance. "It was like watching Barcelona" was a comment from the sidelines....Well Done lads.

Under 8 golds, **Nathan** "The Cat" for all his fantastic enthusiasm in training, he is a little dynamo that never stops. He plays in goal and so far this season he has only conceded 6 goals in 12 games. he has also got 3 MOTM awards in games we have played so far this season.

Under 8 blues, **Ethan C**, Ethan has scored 5 goals in the last two games and has had many goal assists in the Blues recent high scoring games, Ethan is very quick, strong and has put in some brilliant displays, Ethan continues to train with Sunderland and Middlesbrough Academies, well done Ethan keep up the hard work.

Under 8 juniors, **Joseph C** for an all round good performance and his ability to boss the midfield and **Cameron W** for his great goal scoring ability.

Under 10 devils, **The whole team**, 10 league games, 9 wins, 7 clean sheets, 1 defeat, top of division, still in cup, can't ask for more, superb!

Under 10 demons, **The whole team**, for their patience during the recent lack of games, I know they will be keener than ever when we start playing again.

Under 13 boys, excellent results against Birtley away and Wallsend Boys, the whole team played out of their skins. Player of the month to **Philip K** for outstanding wing work just like watching Chrissy Waddle/Peter Beardsley in their prime and also well done to the 2 Nathan's for excellent displays.

Under 13 girls, **Emily P**, Emily's attitude in training and games is always excellent, she never shirks responsibility and is adding improved distribution to her already athletic and dynamic defensive skills.

Under 15 boys, **The Team**, for their good attitude and continuing commitment.

Under 21 boys, **Tom** has had some superb performances recently and has taken one for the team on more than one occasion!!

## HTJU8's 0 – 0 Monkton Juniors

This first reverse fixture was played in snow and sub-zero temperatures. The match got off to a good start with a very busy first 5 minutes for the defensive trio of; Kyle D (GK), James W (RB) and Kianne W (LB). The latter being tested early on by the quick skills of the young girl playing in attack for Monkton, however she remained calm and showing great maturity with some well timed tackles to restrict a determined Monkton side. Also very busy during the first half were Adam M & Cameron W, who playing in midfield were fully employed keeping Monkton at Bay. Indeed it was the latter who managed to break away, run in and have a shot on goal that brought a fine save from the Monkton keeper.

Credit must go to Adam S & Joe C who were playing up front, their skills and trickery were somewhat restricted by the big Monkton (RB) and a very alert keeper.

The Second half started with Hebburn again having to soak up the pressure, James W cleared off the line twice and Kyle D made some great saves.

A special mention must go to Kyle for his bravery, having dived full stretch to the right and getting his hand to the ball to take the pace out of the shot. A third goal line clearance by James W then deflected off a Monkton player into Kyle's face and burst his top lip. However despite the blood, he was able to continue after receiving attention. Hebburn almost pinched the points at the end with a good move that saw; Cameron W & Adam S tackle well in midfield, passing the ball to Adam M who ran down the wing and put a great cross into the area. Joe C's skill and trickery allowed him time to turn and shoot bringing an excellent save from the Monkton keeper. One sub not used, Rachael O who was frozen stiff by half time!

### SUBS

Weekly subs are payable throughout the season, even when there are no games being played.

Subs are used to cover indoor training costs, referee fees, the purchase of kit and equipment and payment of affiliation and league fees.

### SOPHIE'S CHOICE

The film "Bedtime Stories" gets a 5 star rating. Starring Adam Sandler (50 first dates, Anger Management) and Courtney Cox (Monica from Friends), this film gets the best from it's two stars and combines their comedy talents well.

Sandler tells bedtime stories to his nephew and niece, ... and they come true! but in a funny way rather than a horror, spooky way. No, I don't like horror movies. Who wants to go to the pictures and come out scared?

**Together Everyone Achieves More**

**Lionel's top soccer tips**

Each month, Hebburn's senior coach, Lionel Bowman, gives us all a coaching or playing tip. "Communication between players is a key part of football and there can never be enough of it. Ask yourself how often in a game you give a call to a team mate to tell them where you are so you can help them out? How often do you tell a team mate that an opponent is closing in, by calling "man on"? How often in a game do you tell your team mate where you want the pass played by shouting or pointing? Well I would guess that it isn't often enough, so next time you're on the pitch, remember that you can't see behind yourself but you can help each other as a team by talking and shouting on the pitch."

"There's too much of this Texting, MSN and Live Messenger thing going on! WUU? NM, what does that mean? **JUST GET ON THE PITCH AND TALK!**"

**Thank you**

To Kev Carter and Ian Ward for their contributions to this months newsletter.

**Finally**

I was sent an email asking if I'd like to enter a competition to win a singed England Shirt. I have of course responded by saying that as I do my own ironing I have numerous singed shirts already and why would I want another one? The Ed.
